2024 SPRING SPLENDOR LIVE AUCTION

#1 – Private Chef Dinner Party for Ten Hosted by Heart and Vascular Services

You and nine guests are invited to Froedtert Menomonee Falls Hospital for a dinner party in the new Intensive Cardiac Rehab Classroom and Kitchen, slated to open in Spring 2025. Enjoy a heart-healthy culinary adventure prepared by the hospital's executive chef and registered dietician, Christine Evans, and the Heart and Vascular Service Line team. Enjoy a delicious four-course dinner with wine and beer pairings for a mutually agreed upon non-holiday date. An optional tour of the Cardiovascular Procedural Labs is included. Redeem by Dec. 31, 2025. Minimum of four weeks advance notice required. Blackout dates apply.

Chef Christine Evans graduated from the Culinary Institute of America and spent a decade refining her craft in the New York City kitchens of Aquavit, Petrossian and 5757, where cooking for international celebrities was all in a day's work. As sous chef of the Four Seasons Hotel, Christine appeared on New York One and published recipes in Food Arts and Time Out New York. Christine moved back to Milwaukee where she worked at Hotel Metro and helped open two restaurants in Shorewood. An interest in the physiological and emotional relationships between food and wellness inspired Christine to become a registered dietitian, and she loves combining both skill sets at Froedtert Menomonee Falls Hospital, where she has been executive chef since 2015.

#9 - Bid For Caring: Heart and Vascular Services

All proceeds from tonight's event will support the creation of a new Heart and Vascular Services classroom and teaching kitchen. Patients will learn how to shop at the grocery store for heart-healthy foods and how to prepare those meals at home. This space will also accommodate community education opportunities for local residents who are working toward improving their heart health. Your support tonight helps us heal patients with heart disease, which is the leading cause of death for men and women in the United States.
