Who We Are

Froedtert & the Medical College of Wisconsin Community Memorial Hospital, founded in 1964 by the citizens of Menomonee Falls and surrounding communities, is a full-service hospital that specializes in cancer care, heart and vascular care, orthopaedics, women's health and advanced surgical procedures. Community Memorial Hospital is part of the Froedtert & MCW health care network, which also includes Froedtert Hospital, Milwaukee; St Joseph's Hospital, West Bend; and more than 25 primary and specialty care health centers and clinics.

July 1, 2014 marked the 50th anniversary of Community Memorial Hospital. For five decades, the ‘hospital on the hill’ has met the health needs of its patients and been a part of the fabric of the Menomonee Falls community. Proclamations from the Village of Menomonee Falls, Waukesha County and the State of Wisconsin were given to the hospital in recognition of 50 Years of Caring.

Community Memorial Foundation supports the mission of Community Memorial Hospital. As the fund-raising arm of the hospital, the foundation supports many deserving projects directly benefiting patient care within the hospital as well as the broader community and service area through special events and giving campaigns.

The Community Outreach Health Clinic at Community Memorial Hospital serves those who are without health insurance in the community and surrounding areas. In 2014, the clinic served 2,300 patients. The clinic’s mission is simple, advancing the health of the communities it serves through exceptional care enhanced by innovation and discovery. No patient is turned away because of the inability to pay for needed health services.

With more than 300 volunteers, Volunteers in Partnership with Community Memorial Hospital supports the mission of the hospital by providing care and services to patients, families, visitors, providers and staff. In fiscal year 2015, the volunteers logged 39,817 hours of total service hours to Community Memorial Hospital.

A non-profit facility accredited by The Joint Commission, Community Memorial Hospital enhances and improves the quality of life in Waukesha, Washington, Milwaukee and Ozaukee counties by combining next-generation technology with personalized care.

Recognitions

Top Performer on Key Quality Measures
Community Memorial Hospital was recognized by The Joint Commission (TJC) as a Top Performer on Key Quality Measures for two consecutive years. As a Top Performer for 2012 and 2013, Community Memorial Hospital is among a select group of accredited hospitals reporting accountability measure performance data. The hospital was recognized for the following measure sets: heart attack, heart failure, pneumonia and surgical care.

Exemplary Service – Overall Best Performer
Community Memorial Hospital received the Exemplary Service-Overall Best Performer award from Avatar, the company that administers the hospital’s patient satisfaction surveys, in 2012 through 2014. This honor is awarded to the top facilities in Avatar’s national database with the highest overall, combined score for inpatient, outpatient, emergency department and ambulatory surgery. This award recognizes high performing facilities that demonstrate consistency of experiences by patient type throughout the organization.

Partners for Patients
Community Memorial Hospital earned Partners for Patients recognition from the Wisconsin Hospital Association (WHA). A bronze achievement plaque was awarded to recognize the commitment to patient care and initiatives in place towards quality improvement. The award is reflective of specific work around preventing infections and reducing medication errors. WHA’s Partners for Patients focuses on quality care and patient safety. The program seeks to improve inpatient safety and reduce readmissions through collaboration and quality improvement processes.

Best Hospital’s List
Community Memorial Hospital was ranked in the 2015 U.S. News & World Report “Best Hospitals” list with national and regional hospital rankings. For the first time, Community Memorial Hospital was named to the U.S. News & World Report 2015-16 “Best Hospitals” list, in the regional rankings category. Ranked third in metro Milwaukee, Community Memorial Hospital was named to the U.S. News & World Report “Best Hospitals” list with national and regional hospital rankings. For the first time, Community Memorial Hospital was ranked in the 2015 U.S. News & World Report “Best Hospitals” list with national and regional hospital rankings.

Most Connected Hospital
Recognized for digital data use as part of patient care, Community Memorial Hospital was named to the roster of Most Connected Hospitals 2015-16 by U.S. News and World Report. Nationally, only 159 medical centers were listed for their commitment to the use of digital technology in health care. Hospitals and health centers earning the distinction: demonstrated an ability to share information with providers across the health system; improved patient safety through computerization; and engaged patients in their care with electronic access to their own medical information.

Great Community Hospital
Community Memorial Hospital has been named to the Becker’s Hospital Review’s 100 Great Community Hospitals in the United States for 2015. All of the hospitals featured on the list have fewer than 550 beds and minimal teaching programs. Some hospitals are suburban, however many are located in rural areas being their communities’ sole hospital. The Becker’s Hospital Review editorial team selects hospitals for inclusion based on various rankings and awards including those from iVantage Health Analytics, Truven Health Analytics, Healthgrades and CareChex.
