GIVE.
The best care begins with you.

Froedtert Hospital Foundation, the charitable arm of Froedtert Hospital, provides support for the highly specialized care, research and teaching that distinguish Froedtert & The Medical College of Wisconsin as eastern Wisconsin’s only academic medical center.

Froedtert Hospital, staffed by Medical College of Wisconsin physicians, came into being largely as a result of the foresight and benevolence of Kurtis R. Froedtert, a Milwaukee philanthropist and business man with a strong interest in medicine. Froedtert’s generosity and vision laid the foundation for a hospital with a strong medical education affiliation and specialized medical programs in southeastern Wisconsin. Froedtert Hospital opened in 1980.

You play a critical role in our ability to sustain and enhance the research, specialization and technology that allow us to advance patient care. Thanks to donors like you, we can ensure the most advanced education for physicians, nurses and clinical staff, fund the latest in research and technology and offer the most comprehensive medical treatment in the region in a healing environment for patients.
Give in the way that is most meaningful to you.

Help the Community.
By giving to the Froedtert Hospital Foundation, you improve the health of the community through patient education, clinical research and other resources focused on patient needs and disease prevention. Your donation helps provide the resources needed by an academic medical center and eastern Wisconsin’s only adult Level I Trauma Center.

Be part of an Academic Medical Center.
Froedtert Hospital, staffed by Medical College of Wisconsin physicians, is eastern Wisconsin’s only academic medical center. Less than two percent of the nation’s hospitals are academic medical centers, and the state-of-the-art technology and innovations that characterize them means we can offer patients the most comprehensive and appropriate treatment options today. Our patients are often the first to receive treatment options resulting from research, clinical trials and breakthrough advancements. Fellowships for advanced training enhance the clinical skills of physicians, and donor-supported education for nurses and other clinicians keep our staff on the leading edge of medical care and advancement.

Honor and Remember.
Giving to the Froedtert Hospital Foundation provides an opportunity to recognize a family member’s or your personal experience with Froedtert Hospital. Through the Foundation, you can direct your gift to programs that had a meaningful impact in your life.

The offices of the Froedtert Hospital Foundation are located on the second floor of Froedtert Hospital’s East Clinics building. We welcome your visit next time you are on our campus.

WAYS YOU CAN GIVE

We appreciate your support of Froedtert Hospital no matter how you give. Some people prefer to make an immediate gift, while others pledge to give over a period of time.

- **Cash Gifts** - Cash gifts can be currency, checks, money orders or credit cards (VISA, American Express, Discover and MasterCard). We will provide a letter for your record keeping and tax files.

- **Online Giving** - offers a fast and simple donation process. Go to froedterthospitalfoundation.org and click on “Make a Gift”.

- **Matching Gifts** - Many employers match the donations of their employees, increasing the impact of your gift. Contact your Human Resources office for more information about matching gift opportunities.

- **Stocks and Bonds** - Assets like stocks and bonds make excellent gifts to our foundation, especially if they have increased in value. Many people contribute these appreciated assets rather than cash because they receive the same tax deductions while avoiding capital gains and transfer fees.

- **Planned/Estate Giving** - Your gift can be in the form of a bequest in your will or living trust. You might also consider Froedtert as a beneficiary of a life insurance policy, retirement plan or financial account. Life-income gifts such as a charitable gift annuity or trust can provide you with immediate tax savings and annual income. Visit our website at froedterthospitalfoundation.org or contact 414-805-1202 for more information.

For more information, please call 414-805-2699 or visit us online at froedterthospitalfoundation.org

Making your gift to the Froedtert Hospital Foundation
