Partial Lane Closure on William Coffey Drive Beginning Aug. 26

A new traffic pattern will be in effect on William Coffey Drive beginning Aug. 26 through the end of September. A portion of the south lane on William Coffey Drive will be closed.

- Construction will affect Parking Area 3 and 4.
- All vehicles in Parking Area 3 will exit using the Staff Only exit. All traffic will be directed to the east (87th Street). There will be no left turn out of Parking Area 3. This may cause delays exiting the structure during peak times.
- All vehicles exiting the Pavilion driveway will be directed to the west (toward Specialty Clinics). There will be no left turn from this drive.

Please be courteous and practice patience while traveling through this construction area.

Traffic Pattern Changes
