### Student Unit/Department Orientation Checklist

**All Students**

- All students will be expected to complete a Unit Orientation Checklist at each clinical area/site. The form is signed by the student and co-signed by the preceptor or clinical instructor. The checklist must be completed prior to patient care, within 2 weeks of the start of the clinical.

Return to your instructor, preceptor, or scan/fax to: 414-805-6920
Nursing student return to unit educator/PDC to complete spreadsheet.
