To Our Foundation Friends:

Sharon Ellis
Volunteer Chairman of the Board

Thanks to the generosity of over 900 donors and the dedication from volunteers across the community, 2018 was another remarkable year for Community Memorial Foundation!

For 29 years, Community Memorial Foundation has operated as the fundraising arm for Froedtert & the Medical College of Wisconsin Community Memorial Hospital. In 2018, over $900,000 in donations were received by Community Memorial Foundation. These donations have been directed to the areas of greatest need or specific departments and programs. As you will see from the giving highlights, every donation truly makes a difference.

In 2018 our signature fundraising events continued to flourish raising over $282,000 for Community Memorial Hospital. The traditions behind these events raise money to support the hospital while bringing together people from across the community who all share a passion for having exceptional care close to home. In the pages that follow, you will see highlights from these events:

• $154,000 raised at the 28th annual Spring Splendor Gala, Elegance and Espionage, to benefit the Behavioral Health Unit at Community Memorial Hospital.
• $82,000 raised at the 20th annual Golf Classic benefiting CMH’s Joint and Spine Center
• $32,000 raised by Wheeling for Healing for the CMH’s Cancer Care Center.
• $14,000 raised at the Fashion Show & Luncheon to benefit the Breast Care Center while celebrating breast cancer survivors.

I hope that we can count on your continued support as we work together to support the mission of the hospital. Thank you for making miracles happen one gift at a time!

Warmest regards,

Sharon Ellis

Elaine feels blessed to have the opportunity to advance exceptional care at Community Memorial Hospital for twenty-two years (May, 1990-April, 2012). Giving always follows gratitude for blessings – is what her parents taught her.

Elaine began her health career as a Clinical Laboratory Scientist. After earning a graduate degree in Administrative Leadership, she taught clinically for many years before she came to CMH to manage Educational Services. After a few years, it evolved into a robust Organizational Development department. Her passions for extraordinary customer service and problem-solving enabled her to facilitate teams across the hospital. Helping these teams to resolve issues and improve the patient experience gave her much joy!

She supported the hospital and foundation for many, many years. In 2011, Elaine became an Evergreen Society member. She established a trust at her sister’s urging, and included Community Memorial Foundation as a beneficiary.

"Giving was always part of our family life growing up. We had little, but were grateful for what we had – and we were expected to give both time (volunteer) and treasure (financial). Learning that lesson well, I am happy to continue following it."

-Elaine Schmeda

Fashion Show 2018

Fall fashions and breast cancer were center stage at Community Memorial Foundation’s Fashion Show and Luncheon on Friday, October 19, 2018 at the Hilton Garden Inn Milwaukee Park Place. WISN 12 meteorologist Lindsey Slater served as the event emcee as 229 guests enjoyed an afternoon of silent and live auctions, raffles, fashion and more as over $15,000 was raised to benefit the Breast Center at Froedtert & the Medical College of Wisconsin Community Memorial Hospital. These proceeds are specifically used to help provide breast cancer patients with items that assist with comfort post-surgery as well as materials to help navigate treatment options and recovery.

Fashions and footwear were provided by Maurice’s of Germantown, A.J. Ugent Furs and Stan’s Footwear. All models were breast cancer survivors who have been treated in the Froedtert & the Medical College of Wisconsin Cancer Care Network. Faye Wetzel, owner of Faye’s Boutiques, mixed things up this year with a live runway demonstration on how to work wardrobe magic with items found in your closet.

On Saturday, August 11, 2018, nearly 1,000 bike riders, walkers and volunteers gathered for Community Memorial Foundation’s 21st annual Wheeling for Healing fundraiser raising over $32,000 for the Cancer Care Center at Froedtert & the Medical College of Wisconsin Community Memorial Hospital. Participants of all ages and abilities showed up early at Community Memorial Hospital to walk or ride four different routes. Upon returning to the hospital, participants enjoyed live music courtesy of Stray Voltage Band, a picnic lunch sponsored in part by Cousins Subs, raffles, a strolling magician, memory rock painting, a 40’ inflatable obstacle course for kids, the Optimist Club popcorn wagon and much more.

Community Memorial Foundation is grateful to event sponsors First Bank Financial Center, Steinhafels and Network Health as well as for the media support from WISN 12. Thank you to WISN 12’s Ben Wagner for serving as ride marshal and to the event’s planning committee, rest stop and mile sponsors, team captains, volunteers and hospital staff who make this event possible.
