About the SUNFLOWER Award
In 2017, the SUNFLOWER Award was planted by Froedtert Menomonee Falls and Froedtert West Bend Hospitals. It stems from its name, the sun and flower. The sun symbolizes warmth and strength. The flower represents devotion, compassion, and enthusiasm.

What is the SUNFLOWER Award?
The SUNFLOWER Award rewards and celebrates the extraordinary devotion, strength, and compassionate care given by our clinical nursing support staff to patients, families and staff. Each hospital will recognize one of our clinical nursing support staff member with this honor twice a year.

How is the Award Given?
Each SUNFLOWER Award Honoree is recognized at a public ceremony in their unit and receives a beautiful certificate, a SUNFLOWER award pin, and a hand-carved stone sculpture entitled Supporting Heart. We encourage support staff to stop and think about how special they are anytime they see a sunflower.
