

**COMMUNITY PHYSICIANS
2019 FACT SHEET**

Vision

Froedtert & the Medical College of Wisconsin regional health network will be the region’s premier health system by demonstrating superior value through an academic-community partnership and aligning health care delivery across the region.

Mission

Froedtert & MCW health network advances the health of the communities we serve through exceptional care enhanced by innovation and discovery.

Values

PRIDE

- **Partnership:** partnering with patients, families and other organizations; collaborating with co-workers and colleagues
- **Responsiveness:** meeting the needs of the community in prevention, wellness and providing integrated care for all ages
- **Integrity:** using resources wisely; building trust
- **Dignity and Respect:** creating an inclusive and compassionate environment for all people
- **Excellence:** demonstrating excellence in all we do

A Regional Health Care Network

Froedtert & MCW Community Physicians is part of the Froedtert & MCW regional health network. This network is a partnership between Froedtert Health and the Medical College of Wisconsin supporting a shared mission of patient care, innovation, medical research and education. Our health network operates eastern Wisconsin’s only academic medical center and adult Level I Trauma Center at Froedtert Hospital, Milwaukee, an internationally recognized training and research center engaged in thousands of clinical trials and studies. The Froedtert & MCW health network, which includes four community hospital campuses, nearly 1,600 physicians and 40 health centers and clinics, draws patients from throughout the Midwest and the nation. In our most recent fiscal year, outpatient visits exceeded 1 million, inpatient admissions to our hospitals were 49,250 and visits to our network physicians totaled 932,000.

About Us

Froedtert & MCW Community Physicians is a primary care and multi-specialty clinical practice group which operates nearly 35 health centers and clinics in nearly 20 communities spanning across Milwaukee, Kenosha, Ozaukee, Washington and Waukesha counties.

Our health centers and clinics are staffed by nearly 300 physicians, more than 150 advanced care providers and almost 2,300 staff members. Our primary care providers practice internal medicine, family medicine, pediatrics and obstetrics/ gynecology, offering same-day appointments, evening hours, weekend walk-in care and urgent care facilities so patients have options for most convenient access. Our specialists work closely with primary care providers and our community hospitals to provide coordination of care across the continuum.

Providing superior value is central to the mission of Froedtert & MCW's academic-network partnership. Creating value means changing how health care is delivered so people receive the right care at the right time and right place. It means assuring quality care, using processes that support an "every patient, every time" mentality. It means encouraging healthy behaviors and offering preventive care that finds problems before they become serious – and more expensive to treat. In addition, we continue to develop new ways to deliver care to our patients which provides options and improved convenience to all of our communities.

Commitment to Quality

Froedtert & MCW health centers and clinics are dedicated to improving overall health and wellness of the communities we serve. All of our eligible primary care clinics are nationally recognized under the National Committee for Quality Assurance Patient-Centered Medical Home recognition programs. Froedtert & MCW health network is a member of the Wisconsin Collaborative for Healthcare Quality. WCHQ is a group of health care organizations working together to improve the quality of care in the state.

Recognition and Awards

Best Doctors

A total of 439 physicians from the enterprise appear on the *Best Doctors® in America list for 2017-2018*. These physicians are from the Medical College Physicians, Children's Specialty Group and Community Physicians. The physicians, representing over 40 specialties, serve a variety of roles and practice locations with Children's Hospital of Wisconsin, Froedtert Hospital, St. Joseph's Hospital, Community Memorial Hospital, the Zablocki VA Medical Center and several Froedtert & MCW health centers in southeast Wisconsin.

Best Hospitals

Froedtert Hospital ranks as one of the best hospitals in Milwaukee and Wisconsin, according to the *U.S. News and World Report*. The "Best Hospitals" list ranks Froedtert No. 2 in the Milwaukee area and No. 3 in the state on the 2018-2019 list. *U.S. News* recognized Cancer, Gastroenterology & GI Surgery, Neurology and Neurosurgery and Urology as nationally high performing. Froedtert & MCW Community Memorial Hospital was ranked as high performing in hip and knee replacement.

Top Workplace

The Milwaukee Journal Sentinel named Froedtert Health to its list of 2018 Top Workplaces for the ninth consecutive year. The Top Workplaces are determined solely through staff feedback to a survey conducted by WorkplaceDynamics LLP, a leading research firm on organizational health and employee engagement.

Patient-Centered Medical Home Recognition

All of our eligible Froedtert & MCW primary care clinics have obtained the highest level of Patient-Centered Medical Home recognition under the most recent 2014 National Committee for Quality Assurance standards. The purpose of a medical home is to provide the type of care patients expect: higher quality with lower costs, as well as a better patient care experience.

Community Engagement

Froedtert & MCW physicians and health network are proud supporters of the community. Physicians and leaders actively participate in a variety of programs and events for local non-profit organizations and area schools. In fiscal year 2018 Community Physicians provided over \$10 million to improve the health and well-being of the communities it serves.
