## Commitment to Quality and Population Health

We are transforming health care by focusing on preventive care, managing chronic conditions, care coordination and targeted disease intervention. This focus will help reduce costs for patients and improve health and health care equity in the communities we serve.

## Community Engagement

Our physicians, APPs, staff and leaders actively participate in a variety of programs and events for local non-profit organizations and area schools. Last year, our health network provided more than \$365 million to improve the health and well-being of the communities we serve.

### Vision

We will be the trusted leader by transforming health care and connecting communities to the best of academic medicine.

### Mission

We advance the health of the people of the diverse communities we serve through exceptional care enhanced by innovation and discovery.

### Values

**Value People.** We treat others with respect, knowing that their feelings, thoughts and experiences are as important as our own.

**Work Together.** We collaborate across the enterprise to put forward our best.

**Act Now.** We take action to solve problems and move forward quickly.

**Own It.** We take full accountability for our decisions, actions and results.

**Break Through.** We change the future of care with creativity and innovation.

**Deliver Excellence.** We set the standard that others aspire to by always asking “What more can we do?”

## Who We Are

Froedtert & the Medical College of Wisconsin Community Physicians is a primary care and multi-specialty clinical practice group that operates 35 health centers and clinics in more than 20 communities across Kenosha, Milwaukee, Ozaukee, Racine, Washington, Manitowoc, Sheboygan and Waukesha counties. It is part of the Froedtert & MCW health network, which includes 10 hospital locations, more than 2,400 physicians and more than 45 health centers and clinics, draws patients from throughout the Midwest and the nation. In our most recent fiscal year, outpatient visits were more than 1.7 million, inpatient admissions to our hospitals exceeded 60,000 and visits to our network physicians totaled more than 1.37 million.

Froedtert & MCW Community Physicians is built on the existing partnership between southeastern Wisconsin's only academic medical center and our community clinics and hospitals. Our unique academic and community partnership allows us to provide the most appropriate and comprehensive care to all our patients.

Patients have convenient access to physicians in communities close to their home or workplace, along with access to highly specialized care and clinical trials at our academic medical center.

Our health centers and clinics are staffed by Froedtert & MCW Community Physicians. They include more than 290 primary care and specialty care physicians serving patients at more than 30 locations in southeastern Wisconsin. Our primary care providers practice internal medicine, family medicine, pediatrics and obstetrics/gynecology, offering online scheduling, video visits, same-day appointments, FastCare® and urgent care facilities so patients have convenient options. Our specialists work closely with primary care providers and our community hospitals to coordinate care across the network.

## Awards and Recognition

### Top Cancer Program

The Froedtert & MCW Cancer Network — including locations at Moorland Reserve Health Center and Drexel Town Square Health Center — is a 2023 Press Ganey Guardian of Excellence Award winner. This award honors organizations that have reached the 95th percentile for patient experience, engagement or clinical quality performance.

### National Standard for Diabetes Self-Management Education

Our North Hills Health Center and Town Hall Health Center in Menomonee Falls and our West Bend Health Center have been recognized by the American Diabetes Association for meeting the National Standard for Diabetes Self-Management Education.

### Best Place to Work for Disability Inclusion

Froedtert Health is a Best Place to Work for Disability Inclusion, holding a top 100 score on the Disability Equality Index® (DEI). The DEI measures culture and leadership, enterprise-wide access, employment practices, community engagement and supplier diversity.

### Best Places to Work for Women and Diverse Managers
