Who We Are

Froedtert Holy Family Memorial is the leading health care provider in Manitowoc County. It was founded in 1899 with a mission to serve the community's unique needs. As health care has evolved — and as the community has grown — so have we. But the mission remains the same. Froedtert Holy Family Memorial is committed to providing the right care, in the right setting, for the right outcomes.

Rooted in the Franciscan tradition of hospitality and the healing ministry of Jesus Christ, Froedtert Holy Family Memorial has a rich heritage of putting the community first. When the Franciscan Sisters of Christian Charity were approached by local clergy and community leaders over a century ago to start a hospital to care for the health needs of the community, they answered the call. And the hospital has been proudly serving the community ever since.

Froedtert Holy Family Memorial Hospital is part of the Froedtert & MCW health network, which includes 10 hospital locations, more than 2,400 physicians and more than 45 health centers and clinics, and draws patients from throughout the Midwest and the nation. In our most recent fiscal year, outpatient visits were more than 1.7 million, inpatient admissions to our hospitals exceeded 60,000 and visits to our network physicians totaled more than 1.37 million.
