Who We Are

Froedtert & the Medical College of Wisconsin Froedtert Hospital is a 516-bed academic medical center and a leading referral resource for advanced medical care. Froedtert Hospital also operates the region's only adult Level I Trauma Center. The primary adult teaching affiliate of the Medical College of Wisconsin, Froedtert Hospital is a major training facility for more than 1,000 medical, nursing and health technical students annually. It is also a respected research center, participating in some 2,000 research studies, including clinical trials, every year. Froedtert Hospital is located on the Milwaukee Regional Medical Center campus. Froedtert Hospital is part of the Froedtert & MCW health care network, which also includes Community Memorial Hospital, Menomonee Falls; St Joseph's Hospital, West Bend; and more than 25 primary and specialty care health centers and clinics.

All physicians who practice at Froedtert Hospital are Medical College of Wisconsin faculty who are dedicated to patient care, research and teaching. Our physicians are consistently honored by recognition in Best Doctors in America®, and other local and national publications. Patients benefit from a full range of medical and surgical specialties, ranging from internal medicine to neurosurgery. At Froedtert & MCW more than 37 different medical specialties work together as multi-disciplinary teams treating everything from the routine to the most difficult cases.

Recognitions

Vizient Top 10 US Academic Medical Centers

Vizient (formerly the University HealthSystem Consortium) announced Froedtert & the Medical College of Wisconsin Froedtert Hospital as one of the top four performing academic medical centers in the nation, winning a Bernard A. Birnbaum, MD, Quality Leadership Award. Froedtert & MCW also ranked second in the Ambulatory Care Quality and Accountability Leadership Award. Froedtert & MCW is the only health network in Wisconsin whose academic medical center and affiliated clinics have earned this award in 2016. The Quality and Accountability Study assesses performance across a spectrum of high-priority care dimensions. Based upon the Institute of Medicine's Aims of Improvement, these include safety, effectiveness, equity, patient-centeredness, timeliness and efficiency.

Top 100 Hospital®

For the fourth straight year, Froedtert Hospital & MCW has been recognized in 2016 as one of the nation's Top 100 Hospitals® and one of the top 15 major teaching hospitals by Truven Health Analytics™.

Top Hospital in Milwaukee

Froedtert Hospital ranks as the top hospital in Milwaukee and one of the top two hospitals in Wisconsin in *U.S. News & World Report's* Best Hospitals list. Additionally, Froedtert Hospital ranks nationally in six specialties: diabetes and endocrinology, ear, nose and throat, chronic obstructive pulmonary disease, nephrology and pulmonology. This places Froedtert Hospital among the top 50 U.S. hospitals in these areas.

Among Top Hospitals in America

Becker's Hospital Review named Froedtert Hospital to its 2016 list of Great Hospitals in America.

Leader in Equality

The Human Rights Campaign Foundation recognized Froedtert Hospital as a "Leader in LGBT Healthcare Equality" for protecting our LGBT patients and employees from discrimination, ensuring equal visitation for LGBT people and providing staff training in LGBT patient-centered care.

Magnet® Designation

Froedtert Hospital has received for the third time the prestigious Magnet designation for nursing excellence by the American Nurses Credentialing Center's Magnet Recognition Program®. The achievement recognizes superior quality in nursing care as evidenced by performance outcomes, with nurses who are among the best in the nation.
