Who We Are

Froedtert Hospital is a 776-bed academic medical center and a leading referral resource for advanced medical care. Froedtert Hospital also operates the region's only adult Level I Trauma Center.

The primary adult teaching affiliate of the Medical College of Wisconsin, Froedtert Hospital is a major training facility for more than 1,000 medical, nursing and health technical students annually. It is also a respected research center, participating in some 2,000 research studies — including clinical trials — every year.

Froedtert Hospital is part of the Froedtert & MCW health network, which includes 10 hospital locations, more than 2,400 physicians and more than 45 health centers and clinics, and draws patients from throughout the Midwest and the nation. In our most recent fiscal year, outpatient visits were more than 1.7 million, inpatient admissions to our hospitals exceeded 60,000 and visits to our network physicians totaled more than 1.37 million.

All physicians who practice at Froedtert Hospital are Medical College of Wisconsin faculty who are dedicated to patient care, research and teaching. Patients benefit from a full range of medical and surgical specialties, from internal medicine to neurosurgery.

Detailed information about the Froedtert & MCW health network is available online at froedtert.com. Learn about clinical programs and services, Medical College physicians, clinical trials, treatments and technology and more.

Ranked Among Nation's Best by Vizient

Froedtert Hospital was recognized by Vizient as 2024 Birnbaum Quality Leadership Top Performer in the Comprehensive Academic Medical Center cohort. There were 115 comprehensive academic medical centers in the cohort, and Froedtert Hospital achieved a top 10 performance ranking. This is the third year in a row Froedtert Hospital achieved a top 10 ranking.

Magnet Program Recognition

As a part of the ANCC Magnet Recognition Program®, Froedtert Hospital received its fourth Magnet recognition. The Magnet Recognition Program recognizes health care organizations that demonstrate excellence in nursing and is considered the gold standard for nursing excellence. With this achievement, Froedtert Hospital retains its place among the best of the best as part of the Magnet community — just a small, and select, group of U.S. health care organizations achieve Magnet recognition.

High Performer in LGBTQ Healthcare Equality

The Human Rights Campaign Foundation recognized Froedtert Hospital as a 2024 “High Performer in LGBTQ+ Healthcare Equality” for protecting our LGBTQ+ patients and team members from discrimination, ensuring equal visitation for LGBTQ+ people and providing staff training in LGBTQ+ patient-centered care.

America's 50 Best Hospitals™

Froedtert Hospital is among “America's 50 Best Hospitals™,” according to a list released by Healthgrades. This recognition places our hospital among the top 1% of hospitals nationally based on an objective review of clinical outcomes across multiple conditions and procedures, analyzing the performance of nearly 4,500 hospitals nationwide. In its 2024 Specialty Excellence Awards, Healthgrades recognized Froedtert Hospital as one of America's 50 Best Hospitals for Cardiac Surgery, one of America's 100 Best Hospitals for Cardiac Care and one of America's 100 Best Hospitals for Coronary Intervention, as well as other specialty achievements in various areas.

100 Great Hospitals in America

Froedtert Hospital has been named one of the 100 “Great Hospitals in America” for 2024 by Becker's Hospital Review — the only hospital in Wisconsin to receive this honor. The recognition highlights our excellence in complex care, including advanced cancer treatments, neurology and personalized patient care. Becker's Hospital Review chooses hospitals based on clinical excellence, commitment to patient safety, innovative initiatives, research efforts, education and high levels of patient satisfaction.
