Who We Are
Froedtert Hospital is a 702-bed academic medical center and a leading referral resource for advanced medical care. Froedtert Hospital also operates the region’s only adult Level I Trauma Center.

The primary adult teaching affiliate of the Medical College of Wisconsin, Froedtert Hospital is a major training facility for more than 1,000 medical, nursing and health technical students annually. It is also a respected research center, participating in some 2,000 research studies, including clinical trials, every year.

Froedtert Hospital is part of the Froedtert & MCW health network, which includes eight hospital locations, over 2,000 physicians and more than 45 health centers and clinics. In our most recent fiscal year, outpatient visits were nearly 1.5 million, inpatient admissions to our hospitals were 55,085 and visits to our network physicians exceeded 1.1 million.

All physicians who practice at Froedtert Hospital are Medical College of Wisconsin faculty who are dedicated to patient care, research and teaching. Patients benefit from a full range of medical and surgical specialties, ranging from internal medicine to neurosurgery.

Detailed information about the Froedtert & MCW health network is available online at froedtert.com. Learn about clinical programs and services, Medical College physicians, clinical trials, treatments and technology and more.

U.S. News and World Report
