Who We Are

Froedtert Hospital is a 711-bed academic medical center and a leading referral resource for advanced medical care. Froedtert Hospital also operates the region’s only adult Level I Trauma Center.

The primary adult teaching affiliate of the Medical College of Wisconsin, Froedtert Hospital is a major training facility for more than 1,000 medical, nursing and health technical students annually. It is also a respected research center, participating in some 2,000 research studies — including clinical trials — every year.

Froedtert Hospital is part of the Froedtert & MCW health network, which includes 10 hospital locations, more than 2,100 physicians and more than 45 health centers and clinics, draws patients from throughout the Midwest and the nation. In our most recent fiscal year, outpatient visits were more than 1.7 million, inpatient admissions to our hospitals exceeded 58,000 and visits to our network physicians totaled more than 1.17 million.

All physicians who practice at Froedtert Hospital are Medical College of Wisconsin faculty who are dedicated to patient care, research and teaching. Patients benefit from a full range of medical and surgical specialties, from internal medicine to neurosurgery.
