**Act Now.** We take action to solve problems and move forward quickly.

**Own It.** We take full accountability for our decisions, actions and results.

**Break Through.** We change the future of care with creativity and innovation.

**Deliver Excellence.** We set the standard that others aspire to by always asking “What more can we do?”
Who We Are

Froedtert Menomonee Falls Hospital, founded in 1964 by the citizens of Menomonee Falls and surrounding communities, is a full-service hospital that specializes in cancer care, heart and vascular care, orthopaedics, women's health and advanced surgical procedures. Froedtert Menomonee Falls Hospital is part of the Froedtert & MCW health network, which includes eight hospital locations, more than 2,000 physicians and more than 45 health centers and clinics. In our most recent fiscal year, outpatient visits were nearly 1.5 million, inpatient admissions to our hospitals were 55,085 and visits to our network physicians exceeded 1.1 million.

Since 2017, the hospital has been home to inpatient training for Medical College of Wisconsin residents part of the Froedtert Menomonee Falls Hospital Family Medicine Residency Program. A three-year residency, the program includes 18 residents with six residents per class.

The hospital’s foundation supports the Froedtert Menomonee Falls Hospital mission. As the fundraising arm of the hospital, the foundation funds many deserving projects directly benefiting patient care within the hospital as well as the broader community and service area through special events and giving campaigns.

The Community Outreach Health Clinic at Froedtert Menomonee Falls Hospital serves uninsured or under-insured people. No patient is turned away because of the inability to pay for needed health services.

With 150 volunteers, Volunteer Services supports the mission of the hospital by providing care and services to patients, families, visitors, providers and staff.

A non-profit facility accredited by The Joint Commission, Froedtert Menomonee Falls Hospital enhances and improves the quality of life in Waukesha, Washington, Milwaukee and Ozaukee counties by combining next-generation technology with personalized care.
