Who We Are

Froedtert Menomonee Falls Hospital, founded in 1964 by the citizens of Menomonee Falls and surrounding communities, is a full-service hospital that specializes in cancer care, heart and vascular care, orthopaedics, women’s health and advanced surgical procedures. Originally named Community Memorial Hospital, Froedtert Menomonee Falls Hospital is part of the Froedtert & MCW health network, which includes 10 hospital locations, more than 2,100 physicians and more than 45 health centers and clinics, draws patients from throughout the Midwest and the nation. In our most recent fiscal year, outpatient visits were more than 1.7 million, inpatient admissions to our hospitals exceeded 58,000 and visits to our network physicians totaled more than 1.17 million.

Since 2017, the hospital has been home to inpatient training for Medical College of Wisconsin residents part of the Froedtert Menomonee Falls Hospital Family Medicine Residency Program. A three-year residency, the program includes 18 residents with six residents per class.

The Community Outreach Health Clinic at Froedtert Menomonee Falls Hospital serves uninsured or under-insured people. No patient is turned away because of the inability to pay for needed health services.

With a team of 150 dedicated volunteers, Volunteer Services supports the mission of the hospital by providing care and services to patients, families, visitors, providers and staff.

A non-profit facility accredited by The Joint Commission, Froedtert Menomonee Falls Hospital enhances and improves the quality of life in Waukesha, Washington, Milwaukee and Ozaukee counties by combining next-generation technology with personalized care.
