About Us

Froedtert & the Medical College of Wisconsin St. Joseph's Hospital is a full-service hospital serving residents of West Bend, Washington County and the surrounding area.

St. Joseph's Hospital provides 24-hour emergency care at its Level III Trauma Center, which is staffed by board-certified emergency medicine physicians. The hospital also offers a birthing center, inpatient and outpatient surgery, diagnostic services, and a sleep center. Comprehensive cancer care is provided at St. Joseph Hospital's Kraemer Cancer Center, a member of the Froedtert & the Medical College of Wisconsin Cancer Network.

St. Joseph's Hospital is part of the Froedtert & MCW health network, which includes four community hospital campuses, more than 1,600 physicians and nearly 40 health centers and clinics, draws patients from throughout the Midwest and the nation. In our most recent fiscal year, outpatient visits exceeded 1.1 million, inpatient admissions to our hospitals were 49,250 and visits to our network physicians totaled 932,000. For more information, visit froedtert.com.

Originally established in 1930, St. Joseph's opened its current building in 2005, located between West Bend and Jackson, Wis., on Hwy 45 and Pleasant Valley Road.

Around Campus

St. Joseph's Community Foundation was established in 2002 and supports current and future initiatives of St. Joseph's Hospital and the Kraemer Cancer Center. The Foundation is dedicated to providing financial support for projects, programs and services of the organization. The generosity and vision of our donors helps ensure excellence in patient care and services. Without their support, providing these initiatives close to home would not be possible.

At the St. Joseph's Health Center, Medical College of Wisconsin physicians provide services in allergy, cardiology, colorectal surgery, critical care, dermatology, electrophysiology, general surgery, gynecological oncology, infectious diseases, neurosurgery, physical medicine and rehabilitation, pulmonary care, urogynecology, urology, uro-oncology, thoracic surgery, vascular surgery, and plastic and reconstructive surgery, including cosmetic surgery.

The Kathy Hospice is an eight-bedroom residential hospice facility on the St. Joseph's Hospital campus operated by Horizon Home Care and Hospice. The hospice provides a peaceful and comfortable environment for those in need of end-of-life care. It is the first free-standing residential hospice in Washington County and provides respite care, short-term inpatient care, continuous residential care and home hospice care.

Partners of Froedtert Health St. Joseph's Hospital provide service to hospital patients, staff and the community. Partners operate the hospital's Well Wisher Gift Shop, raise funds to support hospital programs and award annual scholarships. The organization is a member of Partners of Wisconsin Hospital Association.
