For more than fifteen years, Sara provided compassionate care as a nurse in the Rehabilitation Unit at Froedtert & the Medical College of Wisconsin Community Memorial Hospital. In August of 2017, Sara became a patient at the hospital after results from a routine mammogram showed an abnormality. A biopsy confirmed her worst fear—cancer. The news was delivered by Julie Hembel, Registered Nurse (RN) and breast care navigator at the hospital’s Breast Care Center, who informed Sara about test results and scheduled an appointment with her for breast cancer education.

”Everyone at Community Memorial has been great. I’m so thankful for their care.”

“When I first met with Julie, I was still a bit in shock and overwhelmed,” said Sara. “But she has been so kind and professional and understanding. Everyone at Community Memorial has been great. I’m so thankful for their care.”

As a nurse, Sara understands health care systems, terms, and processes. She also knows all too well the toll cancer can take; many members of her family have been diagnosed with the disease, including a sister who passed away of ovarian cancer at the age of 27. But when she was diagnosed, Sara had limited knowledge about breast cancer or its treatment.

In 2017, thanks to proceeds raised by the Community Memorial Foundation, 144 women who were diagnosed with breast cancer at Community Memorial Hospital received a free Breast Cancer Treatment Handbook to help them navigate breast cancer diagnosis, treatment, and recovery.

The handbook became Sara’s go-to resource throughout her journey. She returned to it repeatedly as she moved from diagnosis through treatment and recovery. “It has continued on page 2
Hello and welcome to the spring issue of Exchange. My name is Jessica Mulligan and I am the new Executive Director at Community Memorial Foundation. I am honored to succeed Kerry Freiberg and grateful for the 19 years of service she has dedicated to the foundation. Under her leadership, Community Memorial Foundation has grown and generated resources to support the care our patients receive at Community Memorial Hospital. Please join me in thanking Kerry for her dedication, loyalty, and commitment to the foundation and Community Memorial Hospital. We wish her well as she continues to serve us as vice president of Community Engagement for the Froedtert & the Medical College of Wisconsin health network.

We have a special edition of our newsletter prepared for you! You will once again meet one of our grateful patients whose life has been impacted by our Cancer Center. Our spring issue is also the time when we extend an extra special thank you to the donors who supported the foundation in 2017. It has been yet another remarkable year and we could not have done it without our donors, community partners, and volunteers.

There is something very special about being a part of the Community Memorial Hospital family. I look forward to seeing you at CMH and throughout the community. Abundant blessings for a healthy and happy 2018!

Warmest Regards,

Jessica L. Mulligan

everything in it, from start to finish. I could read as I needed to learn more, which made the entire experience so much easier. The handbook helps you understand what’s happening physically and emotionally. I could learn about side effects, and what to expect after surgery from other women who experienced it themselves. There’s even a section on relaxation and nutrition, to help you take care of yourself.”

At Julie’s suggestion, Sara also took advantage of support services offered by the After Breast Cancer Diagnosis (ABCD) program. ABCD provided her with mentors, fellow breast cancer survivors, with whom she could confide in as she considered treatment and reconstruction options. On September 11, 2017, Sara underwent a mastectomy. The surgery was a success and her recovery progressed as expected.

Looking back, Sara remembers clearly how, after surgery, Julie was at her bedside with yet another gift, a specially designed camisole created for women experiencing the pain and limited mobility following mastectomy or lumpectomy. The camisoles are soft and loose fitting under the arms where lymph nodes have been removed, and feature inside pockets to hold surgical drains. Julie also gave Sara a ‘seatbelt pillow’ to make her ride home after surgery more comfortable. The pillows are handmade by CMH’s Volunteers in Partnership (VIP). "You have no idea how important these are until you’ve been through breast cancer surgery,” said Sara. ”I didn’t even know these kinds of things existed. And yet I’m so grateful for the camisoles and the pillow and many other items I received from Community Memorial. They made my recovery so much easier.”

All funds raised by the Community Memorial Foundation directly benefit patients, like Sara, receiving care at Community Memorial Hospital. Please consider helping Community Memorial Foundation continue to help women like Sara with Breast Cancer Treatment Handbooks, camisoles, seatbelt pillows, and access to patient education. Gifts can mailed to Community Memorial Foundation or given online at communitymemorialfoundation.org.

The Breast Cancer Treatment Handbook

This valuable handbook features breast cancer survivors from different backgrounds sharing information about a range of topics to support self-care. Issues addressed include: The Emotional Impact of Breast Cancer; Relationship with Your Partner; Telling Your Children; Calming Your Fears; What Is Breast Cancer?; Surgical Treatment Decisions; Reconstructive Surgery; The Surgical Experience; and much, much more.
Volunteers in Partnership (VIPs) provide special care and services to patients, families, visitors and staff at Froedtert & the Medical College of Wisconsin Community Memorial Hospital.

In 2017, Volunteer Services awarded $16,000 in scholarships to participants in the Volunteer Summer program, and over $115,000 to provide medical equipment for the Heart & Vascular Center, Behavioral Health Department, Emergency Department, Surgery Department and new white boards for patient rooms.

Volunteer Services also organizes fundraising events in support of patient care services. These events include Cheery Cherry Fall Fair on September 23, 2018, Love Lights event on December 5, 2018 and cookie sales in the hospital lobby every Thursday.

Volunteer Services invites you to join their team. Volunteers are needed to serve in all areas of the hospital and Volunteer Services works with you to find your right fit. Please visit https://www.froedtert.com/community-memorial/volunteers for more information and to complete an online interest form or call 262-257-3300.
Corporate Partners Help Community Memorial Foundation Thrive

For more than 28 years, Community Memorial Foundation (CMF) has partnered with businesses throughout the local community to advance the health of the community through exceptional care enhanced by innovation and discovery. This mission is not achieved alone. Proceeds raised by the foundation are invested into Froedtert & the Medical College of Wisconsin Community Memorial Hospital to enhance programs and services for patient care. Support comes from individual donors and families, corporate partnerships, grants, corporate matching gifts, estate gifts, tribute gifts, as well as gifts-in-kind.

In 2017, 176 corporations provided cash and in-kind contributions valued at more than $250,000 to the foundation and hospital. It is the commitment from these corporate partners that helps the Community Memorial Foundation remain strong and continue to grow.

There are several ways that a business can support Community Memorial Foundation:

• Sponsor or attend an event
• Make a cash gift dedicated to a specific department or unrestricted to be used towards our greatest needs

"I invite my fellow community business leaders to join me in helping ensure that when we need care, we have access to the very best resources right in our backyard."

“In over 30 years, Malkin's Flooring has proudly supported Community Memorial Hospital, not just because it's the right thing to do, but by supporting the hospital through the foundation, we are helping our family members, employees, friends, and neighbors have access to the health services they need right here in Menomonee Falls. Myself, and many of my family members, have benefited from superb treatment at Community Memorial. I firmly believe that my mother would not still be with us today without the level of care she received from our local, community hospital. Malkin's Flooring will continue to support Community Memorial Foundation and I invite my fellow community business leaders to join me in helping ensure that when we need care, we have access to the very best resources right in our backyard.”

To Our Foundation Friends:

Thanks to the support of our generous staff, volunteers, donors, businesses and foundations from across the community, Community Memorial Foundation has much to celebrate in 2017!

The CMH Foundation was proud to support Froedtert & the Medical College of Wisconsin Community Memorial Hospital’s new Garden View Unit overlooking the hospital’s peaceful Healing Garden. The Garden View opened in April of 2017 to provide comfort and care to patients and their family at the end of life’s journey in partnership with Horizon Home Care and Hospice. We are also happy to share some of the ways your gift to Community Memorial Foundation promotes a healthy community in our giving highlights.

In 2017 our signature fundraising events continued to flourish and grow support for our community hospital in Menomonee Falls. Please see our Spring Annual Report for more information about these highlighted events:

- $137,000 was raised by Community Memorial Foundation’s 27th annual Spring Splendor Gala - The Magic of CMH to benefit the Garden View Unit and end-of-life care at Community Memorial Hospital.
- $73,000+ was brought in by the foundation’s 19th annual Golf Classic to benefit the Froedtert & the Medical College of Wisconsin Joint and Spine Center at Community Memorial Hospital.
- $25,000+ was raised by Wheeling for Healing for the hospital’s Cancer Care Center.
- $16,000+ came from the annual Fashion Show & Luncheon to benefit the Breast Care Center.

Finally, I want to give very special thanks to Kerry Freiberg for her leadership and dedication to Community Memorial Hospital and Foundation over the last 25 years! We are proud to see her lead Community Engagement as Vice President for Froedtert Health and know she will always be a great champion and supporter of CMH and the Foundation.

Thank you for your support, hard work and generosity!

Warm Regards,

Sharon Ellis
Volunteer Chairman of the Board

On Saturday, August 12, 2017, families gathered for the 20th anniversary of Community Memorial Foundation’s Annual Wheeling for Healing bike ride and fundraiser. Nearly 800 bikers came to Community Memorial Hospital to ride 4-mile, 14-mile and 33-mile routes in support of the hospital’s Cancer Care Center. Upon returning to the hospital, riders enjoyed a picnic lunch, raffles, music, children’s activities and more. Thank you to WISN 12 co-anchor Ben Wagner for serving as the Wheeling for Healing Ride Marshal. The foundation is grateful to the event’s planning committee, sponsors, volunteers, and community support personnel who make this event possible.

Fall fashions and breast cancer awareness were center stage at Community Memorial Foundation’s Fashion Show and Luncheon on Friday, October 20 at Hilton Garden Inn Milwaukee Park Place. 210 guests enjoyed an afternoon of silent and live auctions, raffles, lunch and fashions provided by A.J. Ugent Furs, Robin’s Nest and Stan’s Fit For Your Feet. All fashion show models were breast cancer survivors who received care at Community Memorial Hospital. The event had its best year yet, raising more than $16,000 to benefit Community Memorial Hospital’s Breast Center!

Special thanks to all models, event attendees, donors and volunteers who generously contributed to this important fundraiser.

Thank you to our
Evergreen Society members!

Legacy gifts support the future of Community Memorial Hospital. We thank each of our Evergreen Society members for securing the hospital’s future for generations to come.

"The true meaning of life is to plant trees under whose shade you do not expect to sit."
-Nelson Henderson

When you choose to include Community Memorial Foundation in your estate plans, you leave a legacy of enduring value. You also join the Evergreen Society, which honors those who have made a planned gift to the Foundation to ensure quality care for generations to come.

Community Memorial Foundation was grateful to add three new members to the Evergreen Society over the last year. The Foundation was also thankful to receive a generous legacy gift from James H. Basler. His $1.2 million contribution to Community Memorial Hospital’s Emergency Department in 2016 will help make certain that those who are critically ill or experiencing life threatening emergencies receive lifesaving care close to home.

A planned gift of any size to Community Memorial Foundation can make a difference to CMH. Planned gifts to the foundation, like other contributions, stay at the hospital to benefit the local community.

If you deeply value CMH’s compassionate care and want to preserve it for the future, please consider a planned gift. For more information, call the Foundation at 262.257.3769.

Consider A Tax Smart Planned Gift

A simple and tax efficient way to include Community Memorial Foundation in your estate plans is to name the foundation as a retirement plan beneficiary. Distributions from many pre-tax retirement plans, such as 403B Plans, 401K Plans, and Traditional IRAs, are subject to income taxes, while distributions from Roth accounts and life insurance proceeds are not. Be smart about who you name as beneficiaries. Since qualified charities do not pay income taxes, when you name a charity as a beneficiary of your retirement plan the full value of your gift can support the purpose you designate. To name a charity as a beneficiary, simply request a beneficiary designation form from your plan administrator or financial advisor. You can name Community Memorial Foundation at whatever % you choose. Even 1% makes a difference.

If you include Community Memorial Foundation in your legacy plans, your gift can preserve the quality of care at Community Memorial Hospital for generations. You also join the Evergreen Society. Contact Community Memorial Foundation for more information. Call 262-257-3769 or email michelle.st.clair@froedtert.com.
Honor or remember friends or loved ones with a **Gift from the Heart** . . .

A gift to Community Memorial Foundation is always appropriate, always appreciated, and always in good taste! Both you and the recipient will have the satisfaction of contributing to a stronger, healthier community.

You can designate your gift to the cause closest to your heart. Send to:
