

Understanding the 2020 Health Insurance Marketplace

Per the Affordable Care Act, individuals are required to obtain health insurance through their employer, through Medicaid (BadgerCare) or through the Health Insurance Marketplace. The Froedtert & the Medical College of Wisconsin health network is committed to helping our patients understand and enroll in affordable health insurance options. Open enrollment runs Nov. 1 through Dec. 15, 2019.

Counselors and Patient Financial Services staff are available Monday through Friday, 8 a.m.-4:30 p.m. to answer questions and provide enrollment assistance. To speak with a counselor or to schedule an appointment, please call our health insurance marketplace hotline at **414-805-6206**. For patients seen at any of our community clinics or health centers, please call **877-443-5176**.
