### New Students

#### Verification:
- **All students** must enroll in the verification system each semester. This includes students having clinical at Froedtert Hospital, Froedtert Menomonee Falls Hospital, Froedtert West Bend Hospital, or the Community Physicians Clinics.
- Click on the [Verification Link](#) and enter your **school** email address. You will receive a return email from the verification system to validate your email address, enroll into the current semester, complete security questions, and electronically sign the confidentiality agreement.
- Check your junk/spam if you do not receive an email back from the system (see Student Verification Tip Sheet on website for questions/problems with verification).
- School coordinator is notified of your enrollment and is responsible to verify you when the requirements are met. Contact your school coordinator with any questions.

#### Learning Center:
- Receive email from the system 48 hours after verification by school coordinator.
- **Online Training Modules**: all students are required to complete the assigned modules prior to the start of clinical.
- Froedtert staff members are only required to complete the modules they have not completed as a staff member.

#### Computer Access (if applicable):
- Enroll in the Student Verification System, be verified, and receive an email from the Learning Center Extension at least one week prior to the first clinical day or your access will not be ready.
- Call the Froedtert Help Desk 414-805-2101 to obtain network/epic log in and password on the first clinical day. Access will not be ready for at least 48 hours after you have been verified in the student verification system.
- IT access will not be emailed to students
- If asked by IT - student access is set up on an electronic student spreadsheet.
- *Froedtert Health staff members*: student access is separate from employee access (you may not use your staff access).

#### Form to Complete & Return
