Attention All Students and Faculty Instructors- Updated Screening Process:

On Friday October 23, 2020, Froedtert Health implemented new Symptom Screening at all entrances of Froedtert Health facilities. This extra measure is one more thing we’re doing to help protect everyone from the spread of COVID-19 and is consistent with WI Department of Health Services guidelines.

What do I need to do?

- Self-screen for symptoms at home prior to coming to your clinical experience
  - Experiencing ONE of the following:
    - Diarrhea OR
    - Vomiting OR
    - Fever $\geq 100$ (37.8 C) OR
    - New loss of taste or smell OR
    - Shortness of breath or difficulty breathing
  - OR experiencing TWO or more of the following:
    - Chills with or without shaking
    - New cough
    - Muscle or body aches not due to exercise
    - New sore throat
    - New fatigue
    - New congestion or runny nose, not related to allergies

- Students and faculty instructors with symptoms should immediately notify their school coordinator or school contact and call-in for clinicals that day following normal call-in procedures
- Do not proceed to your Froedtert or MCW clinical placement if you have symptoms of illness
- Students or faculty instructors must remain out of Froedtert Health until they receive approval to return to their clinical placement experience

What is entrance screening?

- All students and faculty instructors, in addition to all employees, patients, visitors, and vendors are required to be screened prior to entering a Froedtert Health facility
- This entrance screening includes:
  - Contact-less temperature screening
  - And answering screening questions
- Entrance screening is mandatory; anyone who refuses a temperature check will not be allowed access to the Froedtert Health building
- Main building entrances will be open; but certain entrances may divert to an entrance where screening is being conducted. Please allow additional time for temperature screenings and potential closures of some entrances.

Do I still need to complete the web-based Screen2Work app?

- You no longer need to use the web-based screening app.

What do I do with the yellow badge card I received?

- You may discard the yellow badge card. These will no longer be used.

What if I work at a Froedtert Health or MCW site but am also a student at one of the sites?

- Students and faculty instructors who are employees of Froedtert Health should use the Screen2Work program app. The flashing All Clear checkmark result on the app must be shown on arrival at the entrance. The temperature screening will be completed in addition to the app screening results.
